Welcome to the Cheers and More All Star Cheerleading family. We are very proud of our highly successful, internationally recognized All Star Cheerleading program. This packet will provide you with the information you will need as parents of a Cheers and More All Star cheerleader. **Please carefully read ALL of the important information contained in this packet. All Star Cheerleading is a serious and highly athletic team sport.**

The more you know, the better experience you and your child will have in this wonderful program. Cheers and More strives to insure that your child has every opportunity to learn cheerleading, achieve their goals, and have a great time, all while learning many important life lessons along the way. Many of the athletes we have trained have received college scholarships to continue cheering after high school. We rely on our All Star parents to help us build and maintain our family friendly, athlete centered atmosphere.

All Star Squads

Cheers and More All Stars are competitive cheerleaders participating in a serious team sport. Parental support of your children and his/her teams are an integral component to their success. We firmly believe that every athlete is a valuable and unique member of our program. Each child has a specific and unique contribution to his/her team that cannot be replaced. Our goal is to provide individual skill development for every child, not only in cheerleading, but in sportsmanship and teamwork as well. We will prepare our teams and athletes to perform to their individual and team best.

While it is our intent to train our cheerleaders to become outstanding athletes, we also believe that being a member of the Cheers and More All Star program provides much more than simple training. Our athletes will improve self-confidence and learn valuable lessons in teamwork and sportsmanship. We believe that becoming a member of the Cheers and More All Star program not only rewards our athletes, but also enables families to witness the personal growth of their children through athletics.

Our coaching staff is privileged to have the opportunity to coach these athletes, and to develop personal relationships with them and their families. We are thankful that you have given us this opportunity because we truly believe our athletes and parents are “family.”

All Star Cheerleading is a very serious competitive team sport and is quickly becoming the principal path to school and college cheer teams (where there are now cheerleading scholarships). All Star Cheerleading and its sister, Competitive School Cheer, are what you have probably seen on CBS Sports, Fox or ESPN TV.

If you have any questions after reading the next few pages, do not hesitate to ask. If we do not know the answer we will find out as quickly as possible. Most importantly, have fun.

Sincerely,

STAFF

Cheers and More

CHEERS AND MORE 2018-19 TEAM GUIDELINES

Cheers and More is one of the most successful athletic programs of its type, serving the top cheer athletes in Oklahoma. Through competitions, performances, and practices, our staff works to develop the whole athlete – physically, mentally, and emotionally. Now entering our 28th season, Cheers and More, and its athletes have been awarded many National, Grand, or Program championships and countless other major titles. We have many athletes that have graduated from our ranks to cheer at the collegiate level.

The most direct way that we help the athletes in our program is by improving their skills and helping them reach their athletic potential, but we believe our program serves a higher purpose. Throughout their lives, most people will find themselves faced with situations that require teamwork to achieve common goals. Teamwork is a lifetime lesson -- far more valuable than tumbling skills. The hours, weeks, months, even years of work that go into improving stunts, tumbling, jumps, and motions will improve your fitness, skills, and your chances of cheering in college. More importantly, athletes learn about sportsmanship, working together towards goals, dedication, determination, and striving to win. We have collected more than enough trophies, banners, medals, and jackets to fill our gym, but we are most proud of the life lessons that we have been able to give to the athletes in our program.

Financial Obligations

Accounts will be set up for each family to keep track of tuition and program fees and bank account drafts or credit card payments are required to process the monthly fees.

- The Cheers and More cheer season starts June 1, 2018 and ends May 31, 2019.
- Tuition charges do not fluctuate based on the number or duration of practices in any month.
- Tuition pays for training only; it does not imply a guarantee of performing.
- Any payment resulting in an NSF or declined credit card will incur a \$40 service charge. It is your responsibility to update your information with us if your information changes.
- **Accounts not current by close of business on the 1st of each month or the next business day if the 1st falls on a holiday or competition day, will be assessed a \$25 late fee. Account must be current to participate in any practices, classes, private lessons, competitions, or other events.**
- Cheers and More reserves the right to remove any athlete from their team at any time for failure to keep up with financial obligations or for any reason it deems appropriate.
- All accounts must be current before an athlete may collect any clothing, uniforms or other retail items.
- **If an athlete chooses to leave or is asked to leave Cheers and More for any reason, at any time, any and all funds paid are forfeited and are non-refundable.**
- Cheers and More reserves the right to turn over all delinquent accounts to a collection agency, and the parent/athlete will be responsible for any additional costs incurred.
- Injured athletes are required to pay their monthly tuition and to attend team practices. Season-ending injuries must be documented as such by a physician and documentation provided to Cheers and More for an athlete to be removed from the program.

Description of Charges

- GYM MEMBERSHIP – A \$50 gym membership fee will be due at tryouts and will include a t-shirt.
- TUITION – This includes your weekly squad practice and any added practices. **Any additional tumbling classes or privates can be added for an additional charge per month.** We do not prorate tuition for holidays or absences. We offer a \$10 discount if a sibling is also a participant in the All-Star program.
- TRAINING CAMP – All teams will participate in training camp.
- COMPETITION FEES – Each team will participate in competitions throughout the season. Dates and locations will be announced once the schedule has been finalized and may be subject to change.
- CHOREOGRAPHY/MUSIC FEE – Cheers and More outsources its music creation and dance choreography to industry professionals.
- COMPETITION UNIFORM - To help keep costs down, we redesign our uniforms every 2 years, not yearly. A new uniform will cost approximately \$300 for Levels 1 – 2 and \$400 for Levels 3 - 5, however, a used uniform may be available to purchase and cost will be at the seller's discretion.

WHAT IS NOT INCLUDED IN ALLSTAR MONTHLY FEES

- USASF REGISTRATION – The USASF requires each cheerleader to be registered individually, and a registration fee paid, or the athlete will be prohibited from competing, this is a \$35 fee.
- Shoes and plain white ankle socks
- Food, lodging, and travel expenses to competitions
- Spectator and parking fees at competitions for family and friends
- Clothing/Merchandise - not required but offered
- Banquet Ticket
- Competition Bow & Make Up
- Additional competition costs and coach's fees for The Summit and Worlds are not included and will be determined once the teams get their bids.

Teams

Cheers and More staff desires for each team to excel in every aspect of cheerleading. Do not get discouraged if your child is not placed on the team that he/she desires. Keep encouraging them to work hard and to be an asset to the team they represent. If you are positive, your child will be positive.

Cheers and More reserves the right to:

- Place its athletes on the team it feels will best suit them and the program,
- Move, replace, add, suspend, or dismiss an athlete for any period of time or indefinitely from a team or the entire program based on its criteria – including but not limited to: attendance, skills, finances, parent conflicts,
- Decide if an athlete may participate in more than one team,
- Decide the roles and/or positions an athlete will have on a team/teams (e.g., flyer, base, back spot, etc.),
- Request that an athlete or team take additional classes or privates to improve their skills,
- Request that an athlete or team practice longer than their regularly scheduled time or add additional practices if deemed necessary, and
- Require team members to maintain the skill level showcased at tryouts. If they lose a skill, they may be moved to a team that more accurately reflects their skill level.

Athletes that elect to participate on more than one team must:

- Be in good financial standing
- Be willing and able to fulfill all the responsibilities required by each team
- Be responsible for any crossover competition fees they incur beyond their primary team

Attendance

- Attendance is taken at the beginning of every class and practice session and entered into the Cheers and More operating software to enable constant program and athlete participation evaluation.
- All-Star cheerleading should be your priority over any other extracurricular activities. Cheerleading is not an individual sport; you have other team members and your coaches depending on you.
- Attend and be prepared to participate in all Cheers and More activities including those which may be unexpectedly added throughout the season.
- Make every effort to schedule all vacations as to not conflict with any Cheers and More activities, camps or competitions.
- Please notify your coaches immediately if a conflict occurs.
- Notify your coaches immediately of any expected and/or unexpected absences or tardiness.
- **Absolutely NO ABSENCES are allowed TWO WEEKS prior to a competition.** Failure to adhere to this policy will result in corrective action and may prevent the absent athlete from performing at the next scheduled event(s).
- Please refrain from punishing your child by taking away Cheers and More related activities. Once your child is on a team, this punishes everyone when your child is not allowed to attend practice or participate in a competition. If your child is taken off his/her team, there is no guarantee their position on the team will be available once the punishment is over.

Absences

- **Excessive absences may result in an athlete's removal from the All-Star program.**
- If you are sick and not contagious or have an injury, you will need to attend team practice. It is important that you watch from the sidelines for any changes in the routine that may affect you and that you continue to support your team members.
- If your physician recommends you refrain from practice due to an illness or injury, please bring a written note from your doctor to practice. **PLEASE NOTIFY YOUR COACHES IMMEDIATELY IF AN INJURY OCCURS.**

Quitter's Fee

Our team program requires a huge commitment from each and every team member, their parents, and our coaches. To help ensure this level of dedication, we have implemented a fee that will be assessed against any athlete who quits his/her team after June 30, 2018. A fee of \$500 will be immediately charged to the quitting family's account should they decide to remove themselves from the program for any reason after the Quitter's Deadline. This does not apply to anyone who moves out of state or has a season-ending injury. If you are no longer going to be a member at Cheers and More, you must submit a 30-day notice, in writing, for your account to stop being charged.

Communication

- Most gym communication will be done via email. Please make sure the gym has your current email address and mobile phone number.
- Your squad parent and their information will be provided to you once teams are selected.
- All financial inquiries should be directed to Paul Skinner at paul@cheersandmoreoffice.com.

Sportsmanship

- Be a positive example to others by being respectful and courteous to everyone.
- Refrain from gossiping or using any form of verbal confrontation. This includes facebook, twitter, youtube, the fierceboard, message boards, snapchat, instagram, etc.
- Refrain from celebrating the misfortune or defeat of another person, team, or program. In the same way, accept your team placement and awards with dignity and class.
- Teammates are expected to treat one another with mutual respect. They should talk to one another in the same manner for which they would like to be spoken to. Neither Cheers and More nor its coaches tolerate pettiness, gossiping, or "cliques" which attempt to exclude, alienate or hurt other team members.

Additional Thoughts

If you or your child has any concerns or problems, please feel free to email us or schedule an appointment outside of class or squad practice. It is never beneficial to complain or disagree among the team members and/or parents. Cheers and More understands that team members and/or parents do not always agree with decisions made by its staff, but please respect the fact that each decision is made with careful consideration and made to benefit the entire program.

The Cheers and More commitment to you is to work to be as organized as possible and to be committed to your child. We strive for each child to excel and have the best possible experience and memories out of their years at Cheers and More. The coaches and staff members at Cheers and More strive to be a good example to each child, and we hope they are someone that your child could turn to for encouragement, compassion, and correction.

Dates of Interest

We know summer is a very busy time for many families. We want to provide you with our summer practice and camp dates so you and your family can schedule summer activities.

Inherent Risks in Cheerleading

Cheerleading is reasonably safe as long as certain guidelines are followed, but there is an inherent risk of injury as in any athletic activity. Cheerleading is an anaerobic/aerobic activity that includes, but is not limited to, jumping, stunting, motions, and tumbling. Cheers and More recommends each student undergo a physical examination by his/her physician before beginning cheerleading activities. Each student must inform their coach of all injuries and/or chronic conditions.

Although the probability of injury is minimized if you practice correctly, there is always the possibility of one occurring. It is important that each athlete listen to the trained coaching staff -- doing so greatly lessens the risk of injury.
